chapter 2 Summary

You will need full GMC registration to enter into your specialty of choice. Different specialties may have different requirements and criteria for what they require from you before you can apply. Your training application will open in November of every year.

chapter 3 Summary

You do not require NHS experience ahead of all of this. If it doesn't work out this November, you can always join the NHS first or stay in your home country, build up your portfolio and apply again for training the next year. The decision is yours.
